

Section 4 - CAPPMIS Startup

CAPPMIS Web Site

The screenshot shows the CAPPMIS web site interface. At the top, there is a green banner with the text "Career Acquisition Personnel & Position Management Information System" and a large "CAPPMIS" logo. To the left of the banner is a circular emblem featuring an eagle. To the right of the banner are three buttons: "Help", "About CAPPMIS", and "HOME". Below the banner, the text "! WELCOME !" is displayed. A paragraph follows, stating: "This web site is designed as a resource for the United States Army Acquisition Workforce Member, Army Acquisition Career Managers (ACM), the Acquisition Career Management Office (ACMO), and the Army Acquisition Executive Support Agency (AAESA). Our purpose is to provide an integrated suite of tools and up-to-date information to our customers to better manage and serve the Army Acquisition Workforce." To the right of this paragraph are two circular emblems: the Department of the Assistant Secretary of the Army and the Department of the Army. Below the welcome message, there is a "PLEASE NOTE:" section stating: "that most links will open new browser windows for easy return to this page." To the left of the main content area is a vertical menu with several buttons: "Acquisition Workforce", "ACRB", "Blank ACRB", "IDP / CL", "Approved APL Positions", "AITAS Site", "Acquisition Mgrs/Staff [Auth Users Only]", "Workforce Mgmt", "IDP Admin", "APL Review / Board", "PEO / PM Mgmt", and "New User / New Career Mgr". Below the "PLEASE NOTE:" section, there are two sections: "For the Career Managers" and "For the Acquisition WorkForce". The "For the Career Managers" section states: "Career Managers desiring to use the [WorkForce Management module](#) must use the Citrix client. Application for a user account and download of the client software is available from the [New User/New Career Mgr](#) section of this site." The "For the Acquisition WorkForce" section states: "Acquisition Workforce personnel wishing to access their [Acquisition Career Record Brief \(ACRB\)](#) or [Individual Development Plan/Continuous Learning \(IDP/CL\)](#) records will be required to login to the system using 128-bit encryption. This and other features of this WWWwebsite require Netscape Navigator version 4x / Microsoft Internet Explorer version 4x or higher (or comparable browser) with cookies and Javascript support enabled." At the bottom of the main content area, there are three links: "[[Text Links](#)]", "[[Maintenance Schedule](#)]", and "[[Website Comments?](#)]".

Career Acquisition Personnel & Position Management Information System

! WELCOME !

This web site is designed as a resource for the United States Army Acquisition Workforce Member, Army Acquisition Career Managers (ACM), the Acquisition Career Management Office (ACMO), and the Army Acquisition Executive Support Agency (AAESA). Our purpose is to provide an integrated suite of tools and up-to-date information to our customers to better manage and serve the Army Acquisition Workforce.

PLEASE NOTE: that most links will open *new browser windows* for easy return to this page.

For the Career Managers
Career Managers desiring to use the [WorkForce Management module](#) must use the Citrix client. Application for a user account and download of the client software is available from the [New User/New Career Mgr](#) section of this site.

For the Acquisition WorkForce
Acquisition Workforce personnel wishing to access their [Acquisition Career Record Brief \(ACRB\)](#) or [Individual Development Plan/Continuous Learning \(IDP/CL\)](#) records will be required to login to the system using 128-bit encryption. This and other features of this WWWwebsite require Netscape Navigator version 4x / Microsoft Internet Explorer version 4x or higher (or comparable browser) with cookies and Javascript support enabled.

[[Text Links](#)] [[Maintenance Schedule](#)] [[Website Comments?](#)]

CAPPMIS is maintained operationally on a web site. You launch the desired module for execution by clicking a button on the left side of the screen. The web site operates in both the Microsoft Internet Explorer 5.0 and Netscape 4.7
